

Business Culture Acclimation

BRC residents attend seminars on professional topics such as résumé writing and business etiquette.

LSU Career Services hosts programs at the BRC to help residents prepare for internships and full-time employment.

Students have opportunities to interact with business professionals through a business speaker series designed to expose them to business professionals and company expectations.

What is the Business Residential College?

The Business Residential College is a living-learning environment that brings learning into a residence hall. It is a community of the next generation of business leaders, sharing a facility where they will be assisted in acclimating to the culture of the college and the culture of business.

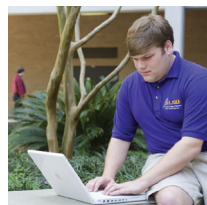

Academic Benefits

- Open to students who have declared a business or pre-business major
- Residents have priority scheduling for their business classes
- Instructors have office hours in the building
- On-site advising is available for all BRC students
- Supplemental instruction in economics, mathematics, and accounting is available
