Bridge to Success

The Bridge to Success Program is one of the premiere academic initiatives of the E. J. Ourso College of Business’ Minority Business Program. This program is geared toward minority freshmen and sophomores who desire admittance to the highly competitive E. J. Ourso College.

Through a series of learning skills workshops, social activities, and peer-mentorship, students will become academically ready to compete for admission to the E. J. Ourso College. The program runs for one academic year. At the end of the year, students who have successfully completed the program will be recognized for their achievement.

The program will also provide an enhancement to their résumé and cover letter, both of which are required materials for the E. J. Ourso College application process.

If selected, the participant must be able to attend a mandatory meeting Thursday, February 4, 2010, at 3:30 p.m. The mission of the Minority Business Program is to recruit and retain underrepresented minority students to the LSU E. J. Ourso College of Business. Additionally, the MBP seeks to create a community and support network that will contribute to the increased success of its students.
