

LSU's Ultimate PMP Certification Prep Course

April 11-15, 2011 and October 24-28, 2011

8:00 a.m. – 5:00 p.m.

COURSE DESCRIPTION

What can you do to distinguish yourself within the growing field of project management? Project Management Professional® (PMP®) certification, through the Project Management Institute® (PMI®), is recognized worldwide as the standard for measuring an individual's core knowledge, understanding, and application of project management principles and practices.

However, obtaining your PMP certification can be a challenge. The knowledge tested is wide ranging and complex. LSU's Ultimate PMP Certification Prep Course, taught by a Project Management Professional, is specifically designed to prepare you for the PMP exam, both the knowledge tested as well as test-taking techniques which could mean the difference between passing and not passing.

WHY IS THIS THE ULTIMATE PMP CERTIFICATION PREP COURSE?

- Our Ultimate PMP Prep Course follows the flow of project management which is how the PMP exam is structured.
- Our Ultimate PMP Prep Course contains the 42 process interaction charts to understand the process flows.
- Our Ultimate PMP Prep Course materials are cross-referenced to the PMBOK® Guide for easier studying.
- Our Ultimate PMP Prep Course participants have access to an online template library to better understand the various outputs of the 42 project management process elements (and to utilize them on their projects).
- Our Ultimate PMP Prep Course contains the two-page process flow diagram of the major project management element interactions.
- Our Ultimate PMP Prep Course contains the four-pages of PMP formulas, their purposes and how to interpret the results.
- Our Ultimate PMP Prep Course provides access to a PMP Application spreadsheet to assist with the complicated PMP Application information requirements.
- Our Ultimate PMP Prep Course includes a proven approach to a post-PMP course study regiment.
- Our Ultimate PMP Prep Course discusses exam methodology to maximize your final score.
- Our Ultimate PMP Prep course provides access to PMP sample exams containing over 1,000 questions to prepare the course participants for the PMP exam.
- Our instructor offers a PMP Exam "Pass Guarantee"- if a course participant who attended the total duration of the onsite course does not successfully pass the PMP Exam, the instructor will pay the re-exam fee. This removes the exam anxiety concerns of not passing the exam and needing to pay for a second attempt.
- Our Ultimate PMP Prep course is taught by a veteran PMP Exam Prep instructor.

IPDI has been reviewed and approved as a provider of project management training by the Project Management Institute

FACULTY

Doug B. Boebinger is a certified Project Management Professional (PMP) by the Project Management Institute (PMI) and a Registered Education Provider (REP). He is the founder and president of Integrated Process Developers in Plymouth, MI. Boebinger has more than 17 years of experience as a trainer and consultant specializing in the area of project management. With more than 24 years of experience as a project manager with profit/loss responsibilities, Boebinger was the lead project management/process development consultant to Ford Motor Company. Through his practice, he has worked with countless organizations to improve their project management abilities including Lear, Behr, DaimlerChrysler, and General Motors. Boebinger holds undergraduate and graduate degrees from Purdue University in Construction Engineering and Management.

PMP EXAM and APPLICATION

The PMP Exam Application can be a complex undertaking. This course offers a free PMP Application Spreadsheet to help with this process.

Please go to the Project Management Institute (PMI) website at www.pmi.org to learn about the specific PMP Exam registration requirements and to download the PMP Credential Handbook.

PLEASE READ CAREFULLY:

PMI would like to remind PMP applicants that in order for any candidate to apply for any PMI Credential all of the courseware needed for contact hours necessary to fulfill the Project Management Education requirements must be completed at the time of application.

Please do not submit a PMI Credential Application before you have successfully completed the course(s) used for the necessary contact hours needed to sit for the PMI Credential Examinations.

If it is discovered upon application audit, that an applicant candidate has not successfully completed the project management course before the date the application was submitted, then the application would be failed due to misrepresentation and applicant will not be able to sit for any PMI Credential Examination, including any existing examinations as well as any examinations PMI may offer in the future.
